Freestanding Monitor Desk Stand

Description

Thanks to this freestanding Monitor Desk Stand you gain space on your desk and enjoy improved ergonomics. A solid and well-designed product with a very stable base and with foam under the base to avoid scratching on the table board. This freestanding Monitor Desk Stand is a simple and strong mounting solution that raises your monitor to a comfortable ergonomic position at eye-level. A durable metal construction and a sturdy base offer a quick, easy and secure way of mounting a monitor to a desktop or another horizontal surface. Ready to install with included mounting material, there is no need to drill holes into the desk or counter top.
